Stage III

Stage IV

Stage V

Stage VI

Stage VII

Date	Department	Description	Working Hours	Action
<input type="text" value="Date of Trai"/>	<input type="text" value="Department"/>	<input type="text" value="Project details"/>	<div><div>1</div><div>▼</div></div> <div>Save</div>	
31-Jul-2025	Web development	Image Gallery or Slider Image gallery with next/prev controls, styled with transitions	5	
30-Jul-2025	Web development	To-Do List with Local Storage Add/delete tasks, save to local storage, responsive layout	5	
29-Jul-2025	Web development	Form Validator App Built a fully styled form with custom validations	5	
28-Jul-2025	Web development	Error Handling in JS: try/catch, debugging basics Practiced catching and displaying custom error messages	5	
26-Jul-2025	Web development	Introduction to JSON and Fetch API Fetched fake user data from a mock AP	5	

Date	Department	Description	Working Hours	Action
25-Jul-2025	Web development	JavaScript Events: Form submit, Keyboard input, Mouse events Created an interactive feedback form with live preview	5	
24-Jul-2025	Web development	Local Storage API Created a notes app with save/load features	5	
23-Jul-2025	Web development	Responsive Design: Media Queries Made a multi-column layout responsive for mobile/tablet	5	
22-Jul-2025	Web development	CSS Pseudo-classes & Pseudo-elements Styled buttons, links, and form fields with :hover, :focus	5	
21-Jul-2025	Web development	createElement, removeChild, appendChild Dynamic list creation, delete items on click	5	
19-Jul-2025	Web development	Form Handling with JavaScript: Input validation Created login/register forms with real-time feedback	5	
18-Jul-2025	Web development	JavaScript Loops and Conditionals Built a grade calculator and interactive loop-based app	5	
31-May-2025	Web development	Image Gallery or Slider Image gallery with next/prev controls, styled with transitions	5	
30-May-2025	Web development	To-Do List with Local Storage Add/delete tasks, save to local storage, responsive layout	5	
29-May-2025	Web development	Form Validator App Built a fully styled form with custom validations	5	
28-May-2025	Web development	Error Handling in JS: try/catch, debugging basics Practiced catching and displaying custom error messages	5	
27-May-2025	Web development	Introduction to JSON and Fetch API Fetched fake user data from a mock API	5	
26-May-2025	Web development	JavaScript Events: Form submit, Keyboard input, Mouse events Created an interactive feedback form with live preview	5	

Date	Department	Description	Working Hours	Action
24-May-2025	Web development	Local Storage API Created a notes app with save/load features	5	
23-May-2025	Web development	Responsive Design: Media Queries Made a multi-column layout responsive for mobile/tablet	5	
22-May-2025	Web development	CSS Pseudo-classes & Pseudo-elements Styled buttons, links, and form fields with :hover, :focus	5	
21-May-2025	Web development	createElement, removeChild, appendChild Dynamic list creation, delete items on click	5	
20-May-2025	Web development	Form Handling with JavaScript: Input validation Created login/register forms with real-time feedback	5	
17-May-2025	Web development	Array Methods: push, pop, map, filter, reduce Filtered users based on age, summed prices using reduce	5	
16-May-2025	Web development	Arrays & Objects: Creation, Access, Looping Created product & student lists, looped over them to display	5	
15-May-2025	Web development	JavaScript Functions: Parameters, Return, Scope Built functions for calculator, string operations	5	
14-May-2025	Web development	Improved understanding of how layout and spacing work in CSS Practiced DOM interaction with JavaScript events	5	
13-May-2025	Web development with cloud	Studied advanced CSS concepts like the box model, Flexbox, and Grid; also practiced JavaScript basics including input/output and event handling.	5	
12-May-2025	Web development with cloud	Designed webpage layout using CSS table borders and structured content positioning	5	
9-May-2025	Web development with cloud	Implemented CSS borders, margins, and padding to control spacing and layout structure.	5	

Date	Department	Description	Working Hours	Action
8-May-2025	Web development with cloud	Worked with CSS background properties and text formatting to enhance webpage design.	5
